

ACCOMMODATION FACILITY DURING BES EXPO-2013.

Dear Members/Delegates/Exhibitors,

It has been observed that the delegates coming from outstation for the BES Expo generally face accommodation problem. They stay too much away from the venue as they are not able to get proper accommodation near the venue within their entitlement.

This year BES has made attempts to provide suitable, comfortable accommodation within the entitlement near the Pragati Maidan in five and three star hotels. A few hotels have offered the special discounted rates to the BES delegates. Details of the hotels and rates are available on BES website: www.besindia.com. All delegates who are interested to avail this special facility may contact for booking of accommodation. :-
